#### HB 947 ON SECOND READING

The Speaker laid before the House on its second reading and passage to engrossment,

HB 947, A bill to be entitled An Act relating to the creation, establishment, and operation of a county civil service system in certain counties; and declaring an emergency.

The bill was read second time.

Mr. Kaster offered the following amendment to the bill:

Amend HB 947, Second Printing, by striking all below the enacting clause and substitute the following therefor:

Be it Enacted by the Legislature of the State of Texas:

Section 1. Definitions. In this Act, unless the context requires a different definition,

(1) "commission" means the county civil service commission;

(2) "chairman" means the chairman of the county civil service commission;

(3) "employee" means any person who obtains his position by appointment and who is not authorized by statute to perform governmental functions in his own right involving some exercise of discretion, but does not include a holder of an office the term of which is limited by the Constitution of the State of Texas; and

(4) "department" means any county, district, or precinct office or other agency of the county which has jurisdiction and control of the activities of the employees' official duties.

Sec. 2. Establishment of Civil Service. Any county having a population of 300,000 or more inhabitants according to the last preceding federal census may establish a county civil service system under the provisions of this Act to cover all employees of the county.

Sec. 3. Methods for Creation of a County Civil Service System.

Before a county civil service system may be created under the provisions

of this Act, the system must be approved either by an order adopted by a majority of the members of the Commissioners Court or by a majority vote of the qualified electors of the county voting at an election called for that purpose.

Sec. 4. Creation by Order. If the civil service system is created by order of the county commissioners, a copy of the order shall be placed in the minutes of the Commissioners Court and shall be available for public inspection.

Sec. 5. Creation by election. (a) On its own motion, the Commissioners Court may order an election to be held to approve the creation of a county civil service system. The election must be held within the 60-day period immediately following the date of the order of election.

(b) The order calling the election shall specify the time and place, or places, of holding the election, the form of the ballots, and the presiding judge for each voting place.

(c) The Commissioners Court shall publish a substantial copy of the election order in a newspaper of general circulation in the county once a week for two consecutive weeks before the election. The first notice must be published before the 14-day period immediately preceding the day of the election.

(d) The presiding judge of each voting place shall supervise the counting of all votes cast and shall certify the results to the Commissioners Court within 24 hours after the election. A copy of the results is to be filed with the county clerk and become of public record.

(e) At the election, the qualified electors shall vote on the proposition of whether or not a county civil service system is to be created. To create the system, a majority of the qualified electors voting in the election must approve the proposition.

(f) The ballots shall be printed to allow for voting for or against the proposition: "Creation of a county civil service system."

(g) If the proposition is approved, the Commissioners Court shall declare the results and order the civil service system created. A copy of this order shall be placed in the minutes of the Commissioners Court.

Sec. 6. Creation of the Civil Service Commission. (a) After a civil service system is approved under the provisions of this Act, the Commissioners Court shall appoint a civil service commission consisting of three members to administer the system. The Commissioners Court shall designate one of the members as chairman of the commission.

(b) Each member of the commission holds office for a term of two years and until his successor is appointed and has qualified. Any vacancy on the commission shall be filled by appointment of the Commissioners Court for the unexpired term of the member whose position has been vacated.

(c) To qualify for appointment to the commission, a person must

(1) be at least 25 years of age; and

(2) have been a resident of the county for the three-year period immediately preceding the beginning of his term of office.

Sec. 7. Compensation; Expenses, Staff; etc. The members of the commission serve without compensation, but the Commissioners Court shall reimburse them for expenses necessarily incurred in performing their duties. The Commissioners Court shall provide the commission with adequate office space and with enough money to employ an adequate staff and to purchase necessary supplies and equipment.

Sec. 8. Powers of Commission. (a) The commission shall make, publish, and enforce rules, consistent with the purposes of this Act, relating to:

- (1) selection and classification of county employees;
- (2) competitive examinations;
- (3) promotions, seniority, and tenure;
- (4) layoffs and dismissals;
- (5) disciplinary actions;
- (6) grievance procedures and other procedural and substantive rights of employees; and
- (7) other matters having to do with selection of employees and their advancement, rights, benefits, and working conditions.

(b) The commission may adopt or use as a guide any civil service laws, rules, or regulations of the United States or of this state or any political subdivision or municipal corporation in this state to the extent that they promote the purposes of this Act and are consistent with the necessities and circumstances of the county.

Sec. 9. Appeals. (a) Any employee who, under a final decision of the commission, is demoted, suspended, or removed from his position, may appeal the decision by filing a petition in a district court of the county within 30 days after the date of the decision.

(b) Appeals under this section shall be tried de novo.

(c) If the district court renders judgment for the petitioner, it may order reinstatement, back pay, and any other appropriate relief.

(d) Suits instituted under this section have precedence over other civil cases, and the judgment of the district court is appealable as in other civil cases.

Sec. 10. Exemptions. (a) Any person who is an employee of a county covered by this Act on the effective date of this Act shall not be required to take any competitive examination or perform any other act to maintain his present employment.

(b) Nothing in this Act applies to:

- (1) assistants, investigators, or other employees of the District Attorney;
- (2) the official shorthand reporter of any district or criminal district court.

Sec. 11. Dissolution of System. (a) In any county in which the provisions of this Act have been in effect for one year, on being petitioned by at least 10 percent of the qualified electors of the county, the Commissioners Court shall call an election to determine whether or not the county civil service should be dissolved.

(b) The provisions of Section 5 of this Act shall apply to holding an election under the provisions of this section.

(c) The ballots shall be printed to allow for voting for or against the proposition: "Dissolution of the civil service system."

(d) If the proposition is approved, the Commissioners Court shall declare the results and order the civil service system dissolved. A copy of this order shall be placed in the minutes of the Commissioners Court.

Sec. 12. Emergency. The importance of this legislation and the crowded condition of the calendars in both Houses create an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each House be suspended, and this Rule is hereby suspended; and that this Act take effect and be in force from and after its passage, and it is so enacted.

Mr. Edmund Jones offered the following amendment to the Kaster amendment:

Amend Section 2 of the Kaster amendment by adding the words:

"and not more than 900,000 inhabitants" after the word "inhabitants".

Mr. Adams raised a point of order against further consideration of the amendment on the grounds that it is not germane.
